'Tis the season... for helping others.

For this month's NOMA meeting, we've invited some of the local non-profits doing the good work, the hard work, of helping those most in need in our community. Hear from front-line organizations who aren't just talking about the tough problems faced by our city, but are actually changing lives. Learn about their different strategies and perspectives. Be inspired by their efforts to bring hope to those who need it most. Ask how you can be part of the solution.
