The City of Santa Monica encourages everyone to be prepared for emergencies up to 7 days.

People should be prepared for emergencies in their home, workplace and car.

We recommend everyone follow these three simple steps:

1. Get a Kit

- Food and water
- First aid supplies
- Contact information
- Special needs supplies, including kids and pets
- Flashlight/radio
- Blankets, clothing, sturdy shoes

2. Have a Plan

- Talk with friend and family about communicating after a disaster
- Be sure that all contact information and phone numbers are updated
- Keep contact information on a piece of paper in your wallet or purse, not only in cell phones
- We suggest text messaging, instead of telephone calls during and after a disaster
- Identify a primary and secondary meeting location in case your home is in accessible

3. Be Informed

- Sign up for [SM Alerts](#) to receive information regarding the next emergency
