Cloverfield Boulevard Recycled Water Pipeline Installation Project

Estimated Duration: September 2023 to May 2024 (8 months)
Location: Nighttime Work: Cloverfield Boulevard from Olympic Boulevard to Broadway
 Nighttime Work: Santa Monica Boulevard from Cloverfield Boulevard to 21st Street
 Day Time Work: Cloverfield Boulevard from Broadway to Santa Monica Boulevard
Description: Installation of new recycled water pipeline

Dear Neighbors:

The City of Santa Monica has contracted with Blois Construction, to install a new recycled water pipeline and expand the recycled water distribution system in the City. The construction will occur on:

- **Cloverfield Boulevard from Olympic Boulevard to Broadway at night from 8:00 PM to 6:00 AM**
- **Santa Monica Boulevard from Cloverfield Boulevard to 21st Street at night from 8:00 PM to 6:00 AM**
- **Cloverfield Boulevard from Broadway to Santa Monica Boulevard Street during the day from 8:00AM to 6:00PM**

Construction has begun with the utility exploration in **September** and pipe installation will start in **October 2023 and last approximately 8 months** through to May 2024 in phases as shown below.

There will be traffic, detours, and parking impacts and the operation of heavy equipment necessary to construct this project will create intermittent loud noise. Please note that the start and completion times/dates of the construction may change due to unforeseen conditions and weather.

- **Phases 1, 2, 3, 4, 7, and 8 will occur at NIGHT from 8:00 PM to 6:00 AM, Monday through Friday**
- **Phases 5 and 6 (Cloverfield from Broadway to Santa Monica) will occur during the DAY from 8:00AM to 6:00PM, Monday through Friday**

For most up to date work schedule and closures, please refer to the project website, <https://www.santamonica.gov/recycled-water-pipeline-project>

We understand this process is inconvenient and will make every effort to minimize any inconvenience that this work may cause.
